PROFESSIONAL EXPERIENCE

DB Inc. | Business Development Design Intern Seoul, South Korea Jun 2026 – Aug 2026

- Designed 8+ proposal and presentation templates in Microsoft PowerPoint, ensuring consistent branding across client-facing materials
- Created custom icons, illustrations, and visual assets using Adobe Illustrator and Figma to enhance presentation quality
- Transformed data in Excel into charts and visualizations for executive presentations and client communications
- Collaborated with the business development team to refine proposal layouts and visual storytelling for client pitches

Nexon Korea | UI/UX Design Intern Seoul, South Korea Jan 2025 – Aug 2025

- Designed promotional banners, pop-ups, and UI mockups for 3 Nexon products: DoubleU, *The First Descendant*, and Nexon Shopping
- Prototyped AI-assisted workflows using Figma Make, Phase, and Whisk to accelerate UI iteration and asset generation
- Partnered with designers and product stakeholders to iterate on UI concepts and improve platform usability
- Led a user research workshop for the UX Design team, introducing research methods and facilitating design discussions

MathZoos | UI/UX Design & Marketing Intern New York, NY Jan 2025 – Apr 2025

- Redesigned the student dashboard across 10+ pages, improving UI components and visual consistency using Figma
- Created 30+ custom icons, illustrations, and character assets using Adobe Illustrator for the web platform
- Conducted competitive research on 20+ education platforms to identify UI trends and user needs, presenting insights in cross-functional meetings with marketing and engineering teams

Washington University in St. Louis, Campus Life | Graphic Designer Saint Louis, MO Jan 2025 – Present

- Designed 30+ brochures, posters, flyers, and digital assets for Campus Life programs and events
- Collaborated with marketing and programming teams on campaign layouts and event materials

DeSales Community Development | Graphic Designer Intern Saint Louis, MO Apr 2025 – Jun 2025

- Designed 16-page annual report using Adobe InDesign, enhancing layout consistency and readability.
- Reorganized 100+ marketing assets and documents using Microsoft Word and Excel to streamline future projects

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

AIGA | Vice President / Workshop Chair Sep 2025 – Present

- Led membership initiatives and executive team coordination, ensuring accountability, meeting execution, and alignment with Student Union finance (BEARings) and organizational timelines
- Organized workshops on design software and emerging AI tools for student designers
- Managed external partnerships and communications to support programming and member engagement

WashUX | UI/UX Designer / Marketing Chair Sep 2025 – Dec 2025

- Selected to redesign the Habib Health Center website UI and information architecture
- Conducted user research and usability evaluations to inform interface design decisions
- Designed promotional and informational materials for events to support marketing

Korean International Student Society (KISS) | President / Designer Sep 2025 – Present

- Lead organizational strategy and operations for a community of **100+** Korean international students, managing the executive team and campus programming
- Designed promotional graphics and managed Instagram content, increasing event engagement by **35%**
- Secured partnerships with external organizations, including Weee!, to support student programming
- Partnered with Korean affinity groups at neighboring universities to host welcome events for 150+ students, generating \$500+ in event revenue
